- 6/4/04 **A04-03-024** - In the Matter of the Application of F. Patrick Flynn & Joyce H. Flynn to sell 100% of the Outstanding Stock of Mesa Crest Water Company (U-333-W) and California-Michigan Land and Water Company, Which Operates a Water System in Los Angeles County, to Buy 100% of the Outstanding Stock of Mesa Crest Water Company, pursuant to Public Utilities Code Sections 851 through 854; **Proposed Decision of ALJ Walker.**
- 6/4/04 **C02-07-044** - The Utility Consumer's Action Network vs. Pacific Bell Telephone Company and AOL-Time Warner, Inc.; **Presiding Officers Decision of ALJ Walker.**
We approve two settlement agreements that promise to dramatically reduce unintended telephone toll charges for Californians who use the America Online (AOL) dial-up service to connect to the Internet. The charges occur when subscribers' computers dial an AOL access number that is a toll call instead of a toll-free call. In the first settlement, between the Utility Consumers' Action network (UCAN) and SBC California (SBC), SBC agrees to notify consumers when charges exceed \$50 in dialing an AOL access number so that subscribers may correct the dial-up number. In the second settlement agreement, between UCAN and AOL, AOL intends to provide new subscribers with access numbers that match the area code and first 3 digits of their telephone number instead of the area code alone, thus reducing the risk that subscribers will select an access number outside of their local exchange area. In the first month of SBC's early warning program in April 2004, SBC notified 4,748 customers that their calls to an AOL access number exceeded \$50 and urged those customers to change the access number if they intended the calls to be toll-free. This proceeding is closed, without prejudice to refiling if AOL is unable to implement its 6-digit access number requirement by the end of 2005.
- 6/4/04 **A02-05-004** - Application of Southern California Edison Co. (U 338-E) For Authority to, among other things, Increase its Authorized Revenues for Electric Service in 2003, and to Reflect that Increase in Rates; **Alternate Decision of Comm. Kennedy.**
